To the board of directors of Sustainable Energy Infra Investment Managers Private Limited (acting in capacity as the Investment Manager of Sustainable Energy Infra Trust)

2. This Statement, which is the responsibility of the Investment Management and approved by the Investment Manager's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), as defined in Rule 2(1) (a) of Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India to the extent not inconsistent with the InvIT Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Investment Manager's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing issued by ICAI and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the said SEBI Circular, including the manner in which it is to be disclosed or that it contains any material misstatement.
5. We draw attention to Note A (4) of the Statement, which describes the presentation of "Unit Capital" as "Equity" to comply with InvIT Regulations. Our conclusion on the Statement is not modified in respect of this matter.
